**Covenant Not to Sue for Injury or Damages:** I understand and agree that gymnastics involves movement, stretching and rotation of the body on the floor and on (or around) equipment, apparatus, and other people, and that injuries can still occur with supervision and safety precautions are in place. I hereby voluntarily and willingly assume full and complete responsibility for all losses and damages, including injury, failure of any equipment or part of the equipment, cuts and abrasions, illness, and death, resulting from my/minor's participation in Gymnastics.

**Release, Indemnification and Liquidation Damages:** I hereby release, indemnify and hold harmless, Xplore Tumbling and Gymnastics LLC (including all of its members, employees, instructors and agent) from any and all damages, claims, causes of action, lawsuits and liabilities of any kind whatsoever (including reasonable attorney's fees and court costs), for or related to any injury, illness, disability, including death or loss suffered by my child (or by me or any family member) during or arising from participation in gymnastics activities and classes.

## **GYM INFORMATION, RULES AND POLICIES:**

### **PLEASE READ THOROUGHLY**

**Registration** Your child will be evaluated so they are he or she is placed in the proper level class. We are an ongoing program. There is no contract, if at any time you wish to drop from the program, we ask for a minimum of a 10-day notice, so that we can open that spot for someone else. You can email us directly if that is easier than a written notice. **If we do not receive a 10-day notice, you will still be charged, and therefore, enrolled in the upcoming month. All children must have a waiver on file.**

**Tuition:** Tuition is budgeted on a 48-week year which allows for a Holiday Break in December as well as Spring and Summer Breaks. We do not charge more for “long” months, nor less for “short” months. **Monthly payments are due by the 28th of each month for the upcoming month. A credit card is required to be on file, your card will be charged on the 28<sup>th</sup> of every month. However, you can choose to pay with cash or check before the 28<sup>th</sup> and your card will not be charged.** There is a \$25.00 service charge for any returned check. Please make sure your credit card is up to date to avoid any late fees if the card is declined. There will be a \$5.00 re processing fee.

#### **Withdrawal from class:**

We require the minimum of a 10-day written notice. An email is fine. Please do not rely on your student to verbally let us know that he/she will no longer be attending classes. If a student stops coming to class without notification, then that student's account will still be charged for that month. This charge will be for holding the student's place in that class instead of offering that place to a student on a waiting list for that class and time. Please note: **You are responsible for payment for your student's classes whether your student attends class until the time you notify the staff via written 10-day notice.**

**Late Fees:** There is a \$10.00 late fee if not enrolled by the 28th of each month. To avoid late fees, we offer an automatic monthly payment to be taken out.

**Annual Membership Fee:** There is an annual \$25 Membership fee. All members of Xplore tumbling are required to pay a \$25 annual membership fee on the anniversary month of enrollment at Xplore Tumbling and Gymnastics. The registration fee is per family not per student.

**Make-Up Classes:** Consistency is the key to progress, and we encourage all students to make their designated class. Monthly tuition pays for your child's space in class regardless of whether they attend. As a courtesy, we offer the opportunity to make up a missed class under certain conditions. Make ups are subject to the following conditions:

1. A gymnast can make up a missed class subject to space availability based on the current class schedule.
2. **Make ups must be pre-arranged with the front office or via phone call or email.**
3. The gymnast must be currently enrolled in a regular class when doing the make-up.
4. Make up class is forfeited if a gymnast is dropped and re-enrolls later.
5. **A Make-up class is subject to availability and not guaranteed.**
6. **A make up must be made within 2 weeks of your child's missed class.**
7. **Only one make-up a month.**
8. No make ups for classes when the gym is closed for holidays. This has already been accounted for in our Tuition pricing.
9. No Walk-Ins.
10. If for any reason you do not show up for your make up class, another make-up will not be honored.
11. We understand that things will come up such as illnesses, school functions, etc. As much we would like to accommodate even more, it becomes unfair to those that do make their scheduled class times, and we will not overbook a class for a makeup.

**Viewing Policies:** We have a strict viewing policy in place. We do this because parents are allowed in the same room that a class is taken place. Most gyms, if not all, have a designated viewing area behind a glass window. Because families are allowed in the room, **the following guidelines will be as followed:**

1. **Yelling out to a child for any reason or making corrections to a child in class from the viewing area will not be tolerated.** This disrupts the learning process between coach and gymnast and is also very distracting to other children taking the class as well as the coach. The children have water breaks, and at that time, you can address anything with your child.
2. **If at anytime you do not adhere to these guidelines, we have the right to ask you to leave.**
3. **Under no circumstances are any children that are not currently enrolled allowed on any of the equipment for any reason.**

**Health and Hygiene:** All cuts and abrasions must be covered with bandages and athletic tape prior to entering the building. Children who have warts may attend class however, the wart(s) must be completely covered by athletic tape (or something that will keep them covered) prior to entering the building. If a child comes out onto the gym floor with an uncovered wart(s) they will be removed from the class until the wart(s) have been completely covered.

**Sick Policy:** If a child has a communicable illness or runs the risk of infecting others, your child should be kept at home. This includes, but is not limited to, pinkeye, fever, strep throat, severe colds, lice, poison ivy, the flu, etc. If your child has uncontrollable coughing, vomiting, a rash, diarrhea, or any mucus from eyes, nose, or mouth we require that your child not attend class until symptoms have

subsided. **For the health and safety of your child and the other gymnasts, we do require that your child be fever free for 24 hours before returning to the Gym.**

**Pro Rating:** The only time we pro rate is when registered for a class mid-month.

There are no sibling discounts.

**Move-Ups:** We are continually evaluating your child and if your child is ready to move up you will be notified. We do not wait till the end of the month. We believe when students are ready to move to the next level there is no need to wait or delay progress

**Inclement Weather:** When inclement weather is predicted, we carefully watch the weather to determine when or if we need to cancel classes. **We post class cancellations on Facebook and via email.** The discretion to not attend a class is always the decision of the family.

**Please Leave Valuable Items at Home:** This facility will not be responsible for ANY items that may be lost or stolen. Be sure your student's personal items are marked with their name.

**What to Wear:**

Gymnasts are required to dress in active play wear. The clothing must not restrict or impend the child's ability to move or be too baggy.

Girls – leotard, hair must be pulled back out of face, **no midriffs, or sports bras.**

Boys – athletic shorts and a t-shirt that can be tucked in, **no belts buckles, or zippers.**

No jewelry, socks, or shoes are allowed in class. **Girls may wear stud earrings only.**

**Cancellation of Classes Due to Low Enrollment:** We reserve the right to cancel any classes due to low enrollment.

**No Refund Policy:** Because we are a month- to -month program, we do not offer refunds for registration fees or classes. **Registration fees are non-refundable.**

**Arrival and Pick up:** Please do not drop your child off early and please pick up your child on time.

**By signing below, you hereby accept and agree to the Terms, Conditions and our Policies at Xplore Tumbling and Gymnastics LLC. You also agree to convey the Policies and/or to request a copy of the Policies for anyone else who may be bringing your child to class.**
